

TERRORISTS AND TALIBAN

A **TERRORIST** is a person that belongs to a clandestine **POLITICAL** organization that, for the purposes of leading the fight to achieve their goals, use violent and cruel methods, such as planting bombs in large public spaces, putting the lives of many innocent people at risk.

The **TALIBAN** are members of an extremist group active especially in Afghanistan, who controlled the country for many years (from 1996 to 2001).
